### LOCAL ROOSEVELT MEN MAKE CLAIMS

"The Governor is going to Washing ton to be either reappointed or resign and have it over with."

This in effect is being passed up and down the line in confidential circles as one of the important incidents of the trip the Governor is to make when he leaves the city to attend the National

Whether it comes direct from the Governor is not known, but it represents the opinion on the part of his friends as to what should be done, and they are passing it along as what will be done. Furthermore, it bespeaks general public opinion on the part of the President Governorship situation. The so-called dilly-dallying on the part of the President of every boy and girl who came out plant is not spoken of it the most pleasant terms by the Governor's supporters, and even those who will not venture to express their minds will go so far as to say that they believe
